Dear Mr Stastny

I am pleased to advise that the Climbers Association of Western Australia has been formally recognised as a State Active Recreation Organisation and is now the pre-eminent representative organisation for outdoor rock climbing in Western Australia.

As a State Active Recreation Organisation, your organisation will receive the following benefits:

- Access to a DLGSC Recreation Advisor.
- Invitations to attend workshops, seminars and other forums conducted by DLGSC for recognised SAROs.
- The opportunity for support through various grant programs administered by DLGSC.
- Entry in DLGSC's online Sport and Recreation Directory as the SARO for that particular recreation activity.
- The opportunity to apply to use the Western Australian Coat of Arms. Applications must be made to the Department of Premier and Cabinet.
- The opportunity to use the DLGSC logo in sponsorship and funding applications, annual reports, newsletters and magazines, and sponsors page or similar on the organisation's website as outlined in the DLGSC Acknowledgment Requirements for SAROs.

I acknowledge the importance of the Climbers Association of Western Australia in the delivery of quality outdoor rock climbing opportunities for all Western Australians. The work that you do helps to achieve our vision of creating a vibrant, inclusive, and connected WA community.

Congratulations once again on your successful application. The DLGSC is looking forward to working with your organisation to maximise the benefits of outdoor rock climbing for all Western Australians.

Yours sincerely
